Home Page

School as-a Service

- The above image is home page, you will get this image after entering the link electus.co.in
- On right side top you can see the online exam. After clicking on it, the page will be forward to School selection page, as the image shown below.

Select School

The screenshot shows the homepage of the Electus Edu Care Pvt. Ltd. website. On the left, there is a sidebar with the Electus logo and the text "ELECTUS Edu Care Pvt. Ltd.". Below it is a "Login to Electus" form with a dropdown menu labeled "School" containing the placeholder "Choose One". A "Submit" button is located below the dropdown. At the bottom of the sidebar, it says "Developed by Chiselon Technologies Pvt Ltd.". To the right of the sidebar is a large image of a person's hands typing on a laptop keyboard. The laptop screen displays a dashboard with various charts and graphs. Next to the laptop is a cup of coffee and some star-shaped cookies. The overall background of the page is blue.

Activate Windows

- In this we need to select our school which will be appeared in dropdown.
- After selection our school, the page will be redirected to our school Home Page.

The screenshot shows the homepage of the Vaghdevi Academy website. At the top, there is a blue header bar with the text "Learning for every one and every where" and navigation links for "HOME", "ONLINE EXAM", and "CONTACT". Below the header is a large illustration of a classroom. A red teacher figure stands in front of a whiteboard, pointing at it. The whiteboard has the text "IIT-JEE, Physics, Chem. Math" written on it. A group of blue student figures are seated at their desks, facing the teacher. To the right of the illustration, the text "Guidelines to find the best IIT-JEE coaching institute" is displayed. At the bottom of the page, there is a green footer section. On the left, it contains "Address" information: "Director Name : Pardha Saradhi.M" and "vaghdevi.academy1@gmail.com". On the right, it contains "Contact" information: "9640879567". At the very bottom, it says "Develop By Chiselon Technologies" and includes social media icons for Facebook, Twitter, LinkedIn, and Google+.

- At the top right side of the home page, we can find online exam link, you just click on it. After submitting, the page gets redirected to login page which is shown below.

Login Page

The image shows a screenshot of a login page titled "Login to Electus - ED". The page has a blue header bar with the title. Below it is a white form area. The form contains two input fields: "User Name" and "Password". To the right of the "Password" field is a small eye icon. Below the fields are two blue buttons: "Sign In" and "Sign In with OTP". At the bottom of the form are two smaller links: "Forgot password?" and "Need help?".

- Login form allows different users to enter into the application role.
- To Enter into the application we required two fields, that are
 1. Username
 2. Password.
- Here we are having three different user logins,
 1. Super Admin.
 2. Student.
 3. Lecturer/Admin Delegate.
- Super Admin had all the privileges to add Roles.
- The user needs to enter correct username and password.

One record is visible: ID LE-17-00132, FirstName Test, LastName TT, User Name Test123, and Email test@g. Below the table, it says "Showing 1 to 1 of 1 entries". At the bottom right of the table area is a blue "UPDATE" button. The footer of the page includes the text "Developed by : Chiselon Technologies".

- Admin can have the facility to edit the Lecturer record.
- In this screen we are displaying all Lecturer records.
- Except Lecturer Id and User name, remaining all the fields can be editable.

Validations:

- If we are not check the checkbox to update the records it shows error message as “Please select at least one entry and data should not be empty”.

Delete Lecturer

Navigations:

1. Dashboard >> LECTURER >> DELETTEL ECTURER
2. Left menu >> NEW - LECTURER >> DELETE LECTURER

The screenshot shows a web-based application interface for managing lecturers. On the left, there is a sidebar with various administrative links: Admin DashBoard, STATE, LOCATION, BRANCH, CLASS, SECTION, SUBJECT, EXAM TYPE, SUBJECT TOPICS, QUESTION TYPE, QUESTION LEVEL, and FILTER CRITERIA. The main content area has three tabs at the top: ADD LECTURER, MODIFY LECTURER, and DELETE LECTURER. The DELETE LECTURER tab is selected. Below the tabs, there is a search bar with dropdown options for 'Show' (set to 10) and 'entries', and a 'Search:' input field. A large table displays a single lecturer record: ID (LE-17-00132), FirstName (Test), LastName (TT), and User Name (Test123). At the bottom of the table, there are navigation buttons for 'Previous' (disabled), '1' (highlighted in blue), and 'Next'. A prominent blue 'DELETE' button is located at the bottom right of the table. The URL in the browser's address bar is 'localhost:8282/ED/load-DeleteLecturerform'.

- Admin can have the facility to delete the Lecturer record.
- In this screen we are displaying all Lecturer records.

Validations:

- If we are not check the checkbox to update the records it shows error message as “Please select at least one entry”.

Filter Exam Criteria

Navigations:

1. Dashboard >> FILTER EXAM CRITERIA
2. Left menu >> FILTER EXAM CRITERIA

The screenshot shows the Electus Admin Dashboard. At the top, there is a logo for 'ELECTUS Edu Care Pvt. Ltd.' followed by navigation links: DASHBOARD, HELP, and LOGOUT. A welcome message 'Welcome: Admin1, Admin1' is displayed. On the left, a sidebar contains icons for Admin DashBoard, Upload Logo, Upload Carousel, Contact Details, STATE, LOCATION, and BRANCH. The main content area has a heading 'Please select class to view Questions.' and two dropdown menus labeled '--Please Select--'. A blue 'Submit' button is located below the dropdowns.

- Here we are displaying the Classes and Exam Type .
- Without selecting any Class and Exam Type in the drop-down then click on the "Submit" button the following error pop-up message will appear as "**Please select Class and Exam Type from drop-down**".
- After submitting the page gets redirected to below screen.

CREATE EXAM

ExamName :*

Exam Type :*

Select one

State :*	Location :*	Branch :*
<input type="checkbox"/> ANDHRA PRADESH <input type="checkbox"/> TELANGANA <input type="checkbox"/> TAMIL NADU <input type="checkbox"/> MAHARASHTRA <input type="checkbox"/> TEST		

In the Create exam page the following fields will appear:

Heading: CREATE EXAM

I. Page 1 Fields:

1. **Exam Name:*** Exam name field allow Alpha numeric's, hyphen and Underscore.
2. **Exam Type:*** Exam type filed is a drop-down and it contains IIT, JEE...

Add Exam types from **Left Menu >> EXAM TYPE:** It will populate in exam type drop-down.

By default value will be “Select one”.

3. **State:*** State field is a check-box.

Add States from **Left Menu >> STATE:** It will populate in the state check box.

4. **Location:*** Location field is a check-box. Locations will display based on State check box: Example: If we select “ANDHRA PRADESH” state and related locations will display.

Add locations from **Left Menu >> LOCATION**: It will populate in the location check box.

5. **Branch:*** Branch field is a check-box. Branches will display based on Location check box: Example: If we select “DASARI” location and related branches will display.

Add branch from **Left Menu >> BRANCH**: It will populate in the branch check box.

Page 1 Validation:

A. Exam Name:*

- Without entering any data you just click on “Next” button system will display the pop-up with following error message as “**Please Enter Exam Name**”.
- Enter existing exam name and system will throw the error message as “**Exam name already exists. Please try with other name**”.
- Enter existing exam name you just click on “Next” button system will display the pop-up with following error message as “**Please Enter valid exam name. Entered exam name is already exists.**”
- Enter new exam name, then system will throw the success message as “**Entered exam name is valid**”

B. Exam type:*

- Select all the fields and select “Select one” value from Exam Type drop-down and click on “Next” button system will display the pop-up with following error message as “**Please select at least one exam type**”.

C. State:*

- Select all the values and Check “OFF” all the state check boxes and click on “Next” button system will display the pop-up with following error message as “**Please select at least one state**”.

D. Location:*

- Select all the values and Check “OFF” all the location check boxes, and click on “Next” button system will display the pop-up with following error message “**Please select at least one location**”.

E. Branch:*

- Select all the values and Check “OFF” all the branch check boxes and click on “Next” button system will display the pop-up with following error message “**Please select at least one Branch**”.

Fill all the mandatory fields and then click on “Next” button, page will navigate to Page II with the following fields.

Heading: CREATE EXAM

II. Page 2Fields:

- 6. Question Level:*** Question Level field is a check-box.

Add Question Level from **Left Menu >> QUESTION LEVEL**: It will populate in the Question Level check box.

- 7. Class:*** Class field is a drop-down.

Add Class from **Left Menu >> CLASS**: It will populate in the class drop-down.

- 8. Section:*** Section field is a multi-select drop-down. We can select / unselect more than one section values by holding Ctrl key and it will display based on the Class selection. (Example: If we select 9th class then related sections will display).

Add Question Level from **Left Menu >> SECTION**: It will populate in the Section multi select drop-down.

- 9. Subjects:*** Subject field is a check-box, and it will display based on the Class selection. (Example: If we select 9th class then related subjects will display).

Add Subjects from **Left Menu >> SUBJECT**: It will populate in the Subject check boxes.

If we select Subject check box, text box will appear: Here we should enter number of questions for this subject.

- 10. Topics:*** Topic field is a multi select box, and it will display based on the Subject selection. (Example: If we select MATHS then related topics will display).

Add Subjects from **Left Menu >> SUBJECT TOPICS**: It will populate in the Topic check boxes.

- 11. Sub Topics:*** Sub Topic field is a multi select box and it will display based on the Topic selection. (Example: If we select Aptitude then related sub topics will display).

Add Subjects from **Left Menu >> SUBJECT TOPICS**: It will populate in the Topic check boxes.

- 12. Exam Pattern with variation in marks:** By default value is "YES".

If Pattern is “YES” then select question type check boxes the following fields display under the question type:

- a). Number of questions, per question type and per subject
- b). Marks assigned per subject and per question type
- c). Negative marks per Subject and per question type

If Pattern is “NO” then select question type check boxes the following fields display under the question type:

a). Number of questions per question type and per subject

Also “**Marks per Question:***” field will appear in the top of the <<Previous>><< Next>> button.

13. Question Type:* Question type field is a check-box. (It is a reference data; we cannot modify these fields in the application).

View Question type from **Left Menu >> QUESTION TYPE:** It will populate in the Topic check boxes.

14. Marks per Question :* It will appear if we select “**Exam Pattern with variation in marks**” as “NO” and it is a text box, by default value is Zero.

Page 1I Validation:

A. Question Level:*

- Without selecting any data and click on “Next” button system will display the pop-up with following error message as “**Please select at least one Question level**”.

B. Class:*

- Select all the fields and select “—Select--” value from Class drop-down then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Class**”.
- Select other than “—Select—“value from Class drop-down then Section and Subject values will display if exists for selected class.

C. Section:*

- Select all the values and without or select “—Select--” value from Section multi select drop-down field then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Section**”.

D. Subjects:*

- Select all the values and Checked “OFF” all the Subject check boxes then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Subject**”.
- **Number of? <<Subject ID>> Text Box:** If we select subject then the text box will appear. This filed will allow only numerics and maximum length is3.
- Fill all the fields and without entering any value in **Number of? <<Subject ID>> Text Box** then click on “Next” button system will display the pop-up with following error message as “**Please enter valid number of questions per subject**”.

E. Question Type:*

- Select all the values and Checked “OFF” , all the Question type check boxes then click on “Next” button system will display the pop-up with following error message as “**Please select at least one question type check box**”.
- ✓ If Exam Pattern with variation in marks is “YES” then select question type check boxes the following fields will display under the question type:

a). No. of questions per Ques type in <<Subject ID>>:

- Fill all the fields and without entering any data in this field then click on “Next” button system will display the pop-up with following error message as “**Please enter number of questions per question type**”.
- This field will accept greater than zero. Max length is: 3characters.

Note:

Example:

1. Fill all the fields and Enter Number of Questions in MATHS50
2. Select Question type check boxes (single check box / more than one check box)

If we select more than one question type check box; then enter questions 20 in each “No. of questions per Ques type in <<Subject ID>>:” field and click on “Next” button system will display the pop-up with following alert message “**Subject Questions-50: Question Type Questions: 40**”.

And click on “OK” button in the pop-up then system will throw the following pop-up error message as “**No. of Subject Questions and No. of Question Type Questions are not matched**”

b). Marks assigned per <<Subject ID>> per <<question type>>:

- Fill all the fields and without entering any data in this field then click on “Next” button system will display the pop-up with following error message as “**Please enter number of marks per question type**”.
- This field will accept greater than zero. Max length is: 1character.

c). Negative marks per <<Subject ID>> per <<question type>>:

- Fill all the fields and without entering any data in this field then click on “Next” button system will display the pop-up with following error message as “**Please enter negative marks per question type**”.
 - This field will accept zero / greater than zero. Max length is: 1character.
- ✓ If **Exam Pattern with variation in marks** is “NO” then the following fields will display above the Next, Previous button:

F. Marks per Question:*

- Fill all the fields and click on Next button system will display the pop-up with following error message as “**Please enter marks per question**”.

By default value is Zero. Max length is: 2 characters.

Fill all the mandatory fields then click on “Next” button. Page will navigate to Page III with the following fields.

Heading: CREATE EXAM

III. Page 3 Fields:

A. Start Date:*

- By default today’s date will display in this filed. We can change this date while we are going to conduct exam.

B. Start Time:*

- This is a time filed. We can change this time while when we are going to conduct exam. (Ex: 12: PM).

C. End Date:*

- By default today’s date will display in this filed. We can change this date while we are going to conduct exam.

D. End Time:*

- This is a time filed. We can change this time while we are going to conduct exam. (Ex: 12: PM).

E. Test Duration :

- This field is non editable field, based on Start Time and End time it will automatically calculate and display the total test duration time.

F. Negative Marks:

- This field will display If **Exam Pattern with variation in marks** is “NO”

G. Total Marks:

- This field is non editable field, based on Number of questions in all subjects * number of marks it will automatically calculate and display the total marks.

Page 1II Validation:

- Enter less than today's date in Start Date field and enter greater than today's date in End Date field then fill all the fields and Click on Next" button system will display the pop-up with following error message as "**Start Date and End Date should not be exceeded 24hrs.**".
- Fill all the valid data in the fields and without enter any data in Start Time field then Click on "Next" button system will display the pop-up with following error message as "**Please enter start time**".
- Fill all the valid data in the fields and without enter any data in End Time field then Click on "Next" button system will display the pop-up with following error message as "**Please enter end time**".
- Fill all the valid data and Enter Start Time as "01:00 PM" and Enter End Time as "01:00 PM" then click on Next" button system will display the pop-up with following error message as "**Test Duration should be greater than"00:00:00"**".
- Fill all the valid data and Enter Start Time as "01:00 PM" and Enter End Time as "01:00 AM" then click on Next" button system will display the pop-up with following error message as "**Please enter valid start date/time and end date / time**".

Exam with Selected Questions

EXAM WITH SELECTED QUESTIONS:

Navigation:

1. Dashboard >> CREATE EXAM.

The screenshot shows the ELECTUS Admin Dashboard. At the top, there is a logo for 'ELECTUS Edu Care Pvt. Ltd.' followed by navigation links: DASHBOARD, HELP, and LOGOUT. A welcome message 'Welcome: Admin1, Admin1' is displayed. On the left, a sidebar contains icons for Admin Dashboard, Upload Logo, Upload Carousel, Contact Details, STATE, LOCATION, BRANCH, CLASS, SECTION, EXAM TYPE, and SUBJECT. The main content area has tabs for 'CREATE EXAM', 'EXAM WITH SELECTED QUESTIONS' (which is selected), and 'COPY PREVIOUS CREATED EXAM PATTERN'. Below these tabs is a button labeled 'CREATE SELECTED QUESTIONS EXAM'. To the right of the tabs are four numbered boxes labeled 1 through 4, each with a placeholder text: 'EXAM INFO1', 'EXAM INFO2', 'EXAM INFO3', and 'EXAM INFO4'. A large central window titled 'CREATE EXAM' contains fields for 'ExamName :*' (with a text input field), 'Exam Type :*' (with a dropdown menu showing 'Select one'), 'State :*' (with a dropdown menu showing options: ANDHRA PRADESH, TELANGANA, TAMIL NADU, MAHARASHTRA, TEST), 'Location :*' (with a dropdown menu), and 'Branch :*' (with a dropdown menu). A green 'Next' button is at the bottom right of this window.

In create selected question exam page the following fields should appear:

Heading: CREATE EXAM

I. Page 1 Fields:

- Functionality and Field validations as same as CREATE EXAM (Please refer **CREATE EXAM Page 1 Fields:** and **Page 1 Validation :**)

Fill all the mandatory fields then click on “Next” button. Page will navigate to Page II with the following fields.

Heading: CREATE EXAM

I. Page 2Fields:

1. **Class:*** Class field is a drop-down.

Add Class from **Left Menu >> CLASS:** It will populate in the class at drop-down.

2. **Section:*** Section field is a multi-select drop-down. We can select / unselect more than one section values by holding Ctrl key, and it will display based on the Class selection. (Example: If we select 9th class then related sections will display).

Add Question Level from **Left Menu >> SECTION:** It will populate in the Section multi select drop-down.

3. **Subjects:*** Subject field is a check-box, and it will display based on the Class selection. (Example: If we select XII class then related subjects will display).

Add Subjects from **Left Menu >> SUBJECT:** It will populate in the Subject check boxes.

When we check the subject checkbox it will populated the text boxes for each subject. These text boxes are used to search the files names for each subject.

Then click on Fetch Files the related files will displayed.

4. **Topics:*** Topic field is a multi select box, and it will display based on the Subject selection. (Example: If we select MATHS then related topics will display).

5. **Sub Topics:*** Sub Topic field is a multi select box and it will display based on the Topic selection. (Example: If we select Aptitude then related sub topics will

display).

6. Filenames:* Based on the Exam type, Class and Subject selection file names will display. Here we can select more than one file name to create an exam.

- Select more than one file name in the filenames drop-down then click on Add
- Marks for Selected Questions button and system will display the following fields:
 - a). Question Type Name with selected file name count (non editable)
 - b). Enter +ve marks in <<question type name>>_ <<Subject Name>>: Max Length is 1 character (Allows only integers)
 - c). Enter -ve marks in <<question type name>>_ <<Subject Name>>: Max length is 1 character (Allows only integers)
- 4. **Total Marks:*** It is a Non Editable field. In this field data will display based on (Total Number of Files per subject per question type * +ve marks per subject per question type)

Page 1I Validation:

A. Class:*

- Select all the fields and select “—Select--” value from Class drop-down then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Class**”.
- Select other then “—Select—“value from Class drop-down then Section and Subject values will display if exists for selected class.

B. Section:*

- Select all the values and without or select “—Select--” value from Section multi select drop-down field then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Section**”.

C. Subjects:*

- Select all the values and Checked “OFF” all the Subject check boxes then click on “Next” button system will display the pop-up with following error message as “**Please select at least one Subject**”.
- File names should be entered in textboxes.

The screenshot shows the ELECTUS Admin Dashboard. At the top right are links for DASHBOARD, HELP, and LOGOUT. Below that is a dark blue header bar with the text "Welcome: Admin1, Admin1". On the left, there's a sidebar with icons for Admin Dashboard, STATE, LOCATION, BRANCH, and CLASS. The main content area has a light blue header "Upload Key File From Excel Sheet / From System" with a "Back to Offline Data" link. Below the header are two large gold key icons. Underneath them are two buttons: "UPLOAD KEY FILE - SYSTEM" and "UPLOAD KEY FILE - EXCEL".

- In this page we have following categories.
 1. UPLOAD KEY FILE - SYSTEM
 2. UPLOAD KEY FILE - EXCEL

1. UPLOAD KEY FILE - SYSTEM:

The screenshot shows the "SUBMIT KEY" form. At the top right, it says "Entered exam name is valid". The form fields include:

- ExamName :***: A text input field containing "Test".
- Exam Type :***: A dropdown menu showing "MAINS".
- Class :***: A dropdown menu showing "XII CLASS".
- Subjects :***: A checkbox group with "MATHS(415)" checked and others like "PHYSICS(416)", "CHEMISTRY(417)", "BOTANY(418)", and "ZOOLOGY(419)" unselected.
- Question Type :***: A checkbox group with "Single answer" selected and other options like "Multi Answer", "Integer Type", "Matrix Match", "Reasoning Type", "Fill in the blanks", "True Or False", and "Single type" unselected.
- Questions From :*** and **Questions To :***: Two dropdown menus both showing "1".
- Score :** A text input field showing "30".

- **Exam name:** Please enter unique exam name.
- **Exam Type:** Please select exam type from given dropdown.
- **Class:** Please select class from given dropdown.
- **Subjects:** Subjects will display by selecting the class and text boxes will appear when check the subject. In this text box you can enter the numbers of questions for that subject.
- **Question Type:** Select the question type in below requirements. Text boxes will appear when check the question type. In that text boxes enter the number of questions for that question type and select the questions From to To. Enter the positive and negative marks for that question type.
- **File Path:** Choose the key file with extension .xlsx

2. UPLOAD KEY FILE - EXCEL:

The screenshot shows the ELECTUS Admin Dashboard. On the left, there's a sidebar with icons for Admin Dashboard, STATE, LOCATION, BRANCH, CLASS, SECTION, SUBJECT, EXAM TYPE, SUBJECT TOPICS, QUESTION TYPE, and QUESTION LEVEL. A 'FILTER CRITERIA' button is at the bottom of the sidebar. The main area has a header 'Welcome: Admin1, Admin1'. The central part is titled 'Upload Key File From Excel Sheet' with a 'Back to Select Key Option' link. It contains fields for 'ExamName :*' (empty), 'Exam Type :*' (dropdown menu 'Select one'), 'Class :*' (dropdown menu '--Select--'), 'Total Questions :' (text input '0'), and 'File Path:' (button 'Choose File' and text 'No file chosen'). A 'Submit Key' button is at the bottom. Below this is a 'CLASS - SUBJECT DETAILS' table with columns No, Class, Subject #, and Subject. Data: No 1, Class VI CLASS1, Subject # 400, Subject MATHS. To the right is a 'QUESTION TYPE - ID DETAILS' table with columns No, Question Types, and Q.Type #. Data: No 1, Question Types Single answer, Q.Type # 100.

No	Class	Subject #	Subject
1	VI CLASS1	400	MATHS

No	Question Types	Q.Type #
1	Single answer	100

- **Exam name:** Please enter unique exam name.
- **Exam Type:** Please select exam type from given dropdown.
- **Class:** Please select class from given dropdown.
- **Total Questions:** Please enter total numbers of questions.
- **File Path:** Choose the key file with extension .xlsx

3. UPLOAD OMR SHEET:

The screenshot shows the ELECTUS Admin Dashboard. On the left sidebar, there are several menu items: Admin Dashboard (selected), STATE, LOCATION, BRANCH, CLASS, SECTION, and SUBJECT. The main content area has a message "Please upload scanned OMR sheets." Below it is a form titled "UPLOAD OFFLINE DATA". It includes a dropdown menu "Select Exam Name : * --Select One-- ▾", a file input field "Browse .dat File : * Choose File No file chosen", and two buttons "Back to Offline Data" and "SUBMIT DATA".

- Please select the exam name in drop down.
- Choose the file with extension date

4. RESULT CALCULATION:

The screenshot shows the ELECTUS Admin Dashboard. On the left sidebar, there are several menu items: Admin Dashboard (selected), STATE, LOCATION, and BRANCH. The main content area has a message "Please select exam to calculate results." Below it is a form with a dropdown menu "Please Select Exam--" and a button "Generate Reports". There is also a "Back to Offline Data" link.

- Please select the exam name in drop down to calculate the results.

5. VIEW REPORTS:

The screenshot shows the ELECTUS Admin Dashboard. At the top right, there are links for DASHBOARD, HELP, and LOGOUT. Below that, a welcome message says "Welcome: Admin1, Admin1". On the left, there's a sidebar with icons for Admin DashBoard, STATE, LOCATION, and BRANCH. The main area has a light blue header bar with the text "Please select exam to view reports.". Below it is a search bar with the placeholder "...Please Select Exam..." and a "View Report" button. At the bottom left of the main area, there's a link "Back to Offline Data".

- Please select the exam name in drop down to view the reports.
- The following 11 Reports are,
 - 1. ALL-INDIA-MARKS-ANALYSIS**
 - 2. STUDENTWISE-QUESTIONWISE-ERROR-ANALYSIS**
 - 3. SUBJECT-WISE-WRONG-RIGHT-UNATTEMPT-COUNT**
 - 4. CAMPUS-WISE-ERROR-REPORT**

The screenshot shows a software interface for managing student records. At the top, there is a logo for 'ELECTUS Edu Care Pvt. Ltd.' and navigation links for 'DASHBOARD', 'HELP', and 'LOGOUT'. Below this is a dark blue header bar with the text 'Welcome: Admin1, Admin1'. Underneath, there are two buttons: 'SEARCH ESTIMATED AVERAGE' and 'VIEW ESTIMATED AVERAGE'. A light blue banner displays the text 'ESTIMATED AVERAGE' and a small school icon. To the right of the banner is a 'Print' button. The main content area features a table with student data. The table has columns for S.No, Sid, SName, MATHS, Rank, PHYSICS, Rank, CHEMISTRY, Rank, Avg, Rank, and Exam Count. The rows show 16 student entries with various details like Kaustubh (Sid: PGTW 1) and Vaibhavl (Sid: PGTW 17). The table also includes a header row with filters: Class :XII CLASS, Section :WEST, State :MAHARASHTRA, Location :MATUNGA, and Branch :PIONEERS.

Class :XII CLASS		Section :WEST		State :MAHARASHTRA			Location :MATUNGA			Branch :PIONEERS		
S.No	Sid	SName	MATHS	Rank	PHYSICS	Rank	CHEMISTRY	Rank	Avg	Rank	Exam Count	
1	PGTW 1	Kaustubh	48.0000	53	85.3333	8	74.0000	8	69.11	23	3	
2	PGTW 2	Shravan	14.0000	42	23.0000	37	47.0000	27	28	35	1	
3	PGTW 3	Brycen	11.5000	47	24.5000	39	45.0000	37	27	41	2	
4	PGTW 5	PGTW 5	28.3333	53	49.0000	54	49.3333	51	42.22	52	3	
5	PGTW 6	Tejas	34.4000	53	52.2000	56	58.2000	54	48.27	54	5	
6	PGTW 7	Pranav	16.0000	53	7.0000	56	5.3333	58	9.44	55	3	
7	PGTW 8	Sharvil	48.6667	33	60.0000	29	56.0000	24	54.89	28	3	
8	PGTW 9	Rahul	34.2500	38	44.7500	38	53.2500	25	44.08	33	4

10	PGTW 11	Varun	65.6667	37	67.6667	33	44.0000	43	59.11	37	3	
11	PGTW 12	Raul	52.0000	35	40.5000	40	34.0000	44	42.17	39	4	
12	PGTW 13	Pratyush	21.5000	53	21.7500	57	25.2500	55	22.83	55	4	
13	PGTW 14	PGTW 14	36.7500	53	19.5000	56	26.7500	57	27.67	55	4	
14	PGTW 15	Sonali	11.0000	54	17.0000	44	29.2500	45	19.08	47	4	
15	PGTW 16	Chaitanya	20.5000	53	15.5000	45	30.0000	50	22	49	4	
16	PGTW 17	Vaibhavl	16.3333	51	5.3333	57	15.3333	48	12.33	52	3	

- Above image is that it shows complete student records based upon the selections.

Student Status

Navigations:

1. Dashboard >> Student Status.

The screenshot shows the ELECTUS Admin Dashboard. At the top, there is a logo for 'ELECTUS Edu Care Pvt. Ltd.' followed by navigation links: DASHBOARD, HELP, and LOGOUT. A welcome message 'Welcome: Admin1, Admin1' is displayed. On the left, a sidebar contains icons for Admin DashBoard, Upload Logo, Upload Carousel, Contact Details, STATE, LOCATION, and BRANCH. The main area is titled 'ACTIVE STUDENTS' and displays a message: 'Please select class and sections to Active Students.' Below this are two dropdown menus: 'Please Select Class--' and 'Please Select Section--'. A blue 'Update Status' button is located at the bottom right of the main form area.

- In this screen we are activating students who are deactivated.
- To activate students you need to select class and section in dropdown.
- After selecting class and section, click update status button to update.
